[The National Needle Arts Association](#) (TNNA) has announced a new program called Stitch N' Pitch! The program builds on the success of Stitch N' Pitch program last year at the Seattle Mariners.

The event has been structured into a formal program. It partners with individual baseball clubs, to bring two American traditions together -- Baseball and the NeedleArts.

The first in a series of Stitch N' Pitch is to be held July 20th at the San Francisco Giants game. Additional events will be held at baseball games of the Minnesota Twins, Seattle Mariners, Colorado Rockies, Texas Rangers, LA Dodgers, Pittsburgh Pirates, Tampa Bay Devil Rays, Arizona Diamondbacks, Cleveland Indians, and the Atlanta Braves.
